## Tech sheet

### 1. Play space

This play can be shown in very eclectic spaces and has no specific technical requirements.

It can be set on a stage, in a bar, in a classroom or outside. It just need a quiet place for the audience to stick with the story.

The set is made of a custom table that we bring with us.

Minimal space requirements : 3m x 2m (black taped if on a stage)

### 2. Light and electrical

We don't need artificial lighting on the outside. And an homogenous lighting when we play inside.

We need an electrical line with 4 sockets under our table, coming from the back on the play space.

### 3. Sound

We bring with us 2 tiny speakers that stands under our table.

### 4. Accueil

Please provide clean dressroom for 2 people.

We travel with a small 3m3 car. Thanks for providing a parking space.

### 5. Schedule

Set up (1h30)	Set up (1h30)	1 stage manager + 2 comedians
Show	Preparing 15min before the show Duration : 11min  <b>Take in consideration we need 30min to reset between two shows.</b>	2 comedians
Dismantling and load up (30min)	Dismantling and load up	1 stage manager + 2 comedians
